

Jesus taught people by telling stories called parables.
 The stories helped people understand God's kingdom.
 What is the hidden meaning of the story found in Luke 0:25-37?

Find and circle the children who are doing what our verse says.
 Cross out the children who still need to learn how to love God
 and their neighbor.

Jesus taught that there is something we are to do with our WHOLE heart, soul, and mind. Shade the segments marked with a ♥ in the picture to show what it is.

THE BIBLE SAYS...

Love the Lord your God with all your heart, and with all your soul and with all your mind. And love your neighbor as yourself.

Luke 10:27

The Lord's Prayer

Our Father in heaven, hallowed be your Name,

Your kingdom come, your will be done on earth as it is in heaven.

Give us this day our daily bread

And forgive us our debts as we forgive our debtors.

And lead us not into temptation, but deliver us from the evil one.

For yours is the kingdom and the power and the glory forever.

Amen.

Each week we will learn a new part of the Lord's Prayer.

This week we learned the 3rd part, 'Give us this day our daily bread.'

In the box to the left:

✓ the word that tells how often we need to rely on God.

○ the word that tells what we need from God.

Bread is one of the most basic foods that we need. When Jesus taught us to pray, "Give us today our daily bread," He was telling us to ask for the things we NEED. God doesn't promise to give us everything that we WANT, but He will give us what we need. From the pictures below decide what it is we truly need and what we want but can live without. Then write them in the correct column.

NEEDS	WANTS

Jesus taught us to pray for our daily bread. Where does our loaf of bread come from? Did you ever think our loaf of bread comes from God? If you were making a movie about how bread was made, in which order would you place the 11 words below? Think backwards from the loaf to God.
