LESSON 9

God gives us the gift of DIRECTIONS. They show His love for us. What do we call them?

How did the people see and feel God's holiness?

Why did the people disobey the God who loved them and saved them?

What should we do when we disobey God's DIRECTIONS of love?

Moses came down from Mount Sinai.

You shall not give false testimony against your neighbor.

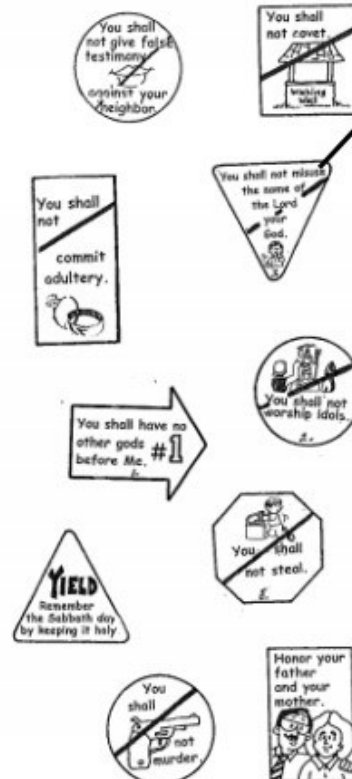

He answered: 'Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind', and 'Love your neighbor as yourself.'
